Notes

1. Area of cover

Allianz Worldwide Care offers a choice of three different geographical areas of cover:

- Worldwide, which provides cover anywhere in the world
- Worldwide excluding USA
- Africa only

The chosen area of cover will be specified in the Insurance Certificate.

2. Treatment Guarantee

Certain treatments and costs require submission of a Treatment Guarantee Form in advance. Following approval by Allianz Worldwide Care, cover for these required treatments or costs can then be guaranteed. In the Table of Benefits, benefits which require pre-approval through submission of a Treatment Guarantee Form are indicated by either a 1 or a 2. These benefits are listed below, along with further important details:

- All in-patient benefits¹ as listed.
- Day-care treatment².
- Out-patient surgery².
- MRI (Magnetic Resonance Imaging) scan. Treatment Guarantee may be required for this test if you would like to us to settle the bill directly with the medical provider.
- PET² (Positron Emission Tomography) and CT-PET² scans.
- Nursing at home or in a convalescent home².
- Complications of pregnancy².

- Routine maternity² and complications of childbirth² (in-patient treatment only).
- Oncology² (in-patient and day-care treatment only).
- Occupational therapy² (out-patient treatment only).
- Rehabilitation treatment².
- Medical evacuation² (or repatriation where covered).
- Travel costs of insured family members in the event of an evacuation/repatriation².
- Repatriation of mortal remains².
- Travel costs of insured family members in the event of the repatriation of mortal remains².
- Expenses for one person accompanying an evacuated/repatriated person².
- Palliative care and long term care².

¹ If Treatment Guarantee is not obtained for the benefits listed with a 1, we reserve the right to decline a claim. If the respective treatment is subsequently proven to be medically necessary, we will pay only **80%** of the eligible benefits.

² If Treatment Guarantee is not obtained for the benefits listed with a 2, we reserve the right to decline a claim. If the respective treatment is subsequently proven to be medically necessary, we will pay only **50%** of the eligible benefits.

We should be contacted at least five working days before receiving treatment, so that we can ensure that there will be no delays at the time of admission. This will ensure that members benefit from cashless access to hospitals for in-patient treatment, where possible, and have their treatment overseen by our team of medical professionals.

In the case of an emergency, we should be informed within 48 hours of the event to ensure that no Treatment Guarantee penalty will apply to the claim.

3. Claims process and turnaround

Allianz Worldwide Care has a simple claims process in place to ensure that members can seek reimbursement for medical expenses.

Fully completed Claim Forms are processed and payment instructions issued to the member's bank **within 48 hours**. Where further information is required to complete the claim, the member/medical practitioner will automatically be notified by email or mail within 48 hours of receipt of the Claim Form. An email is sent automatically to the member (where email addresses are provided to us) to advise them when the claim is processed.

This swift claims processing policy ensures that our members receive their claims payment in the most effective and efficient manner.

4. Benefit limits

There are two kinds of benefit limits shown in the Table of Benefits. The **maximum plan benefit**, which applies to certain plans, is the maximum we will pay for all benefits in total, per member, per Insurance Year, under that particular plan. Some benefits also have a **specific benefit limit**, for example "Nursing at home or in a convalescent home". Specific benefit limits may be provided on a "per Insurance Year" basis, a "per lifetime" basis or on a "per event" basis, such as per trip, per visit or per pregnancy. In some instances we will pay a percentage of the costs for the specific benefit e.g. "65% refund, up to £4,150/€5,000/\$7,100/CHF6,500". Where a specific benefit limit applies or where the term "Full refund" appears next to certain benefits, the refund is subject to the maximum plan benefit, if one applies to your plan(s). All limits are per member, per Insurance Year, unless otherwise stated in your Table of Benefits.

5. Policy terms and conditions

Please note that cover is subject to underwriting i.e. cover may be excluded for pre-existing conditions, or a higher premium rate may apply to reflect the higher risk due to pre-existing medical conditions or additional risk factors. Cover is conditional upon acceptance of your application, which is only confirmed when an Insurance Certificate is provided. This Table of Benefits provides an outline of the cover we provide under each plan. Cover is subject to our policy terms and conditions, as detailed in our Individual Benefit Guide, which is issued to members upon policy inception. This Individual Benefit Guide can also be downloaded from our website: www.allianzworldwidecare.com
